

## Accessories

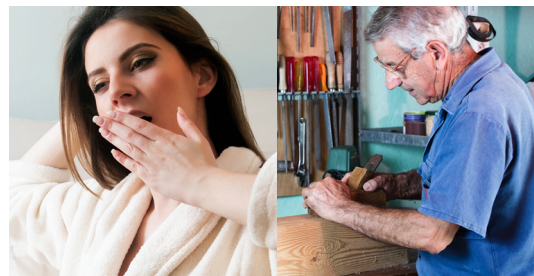

# Bed Vibrator

with Pin Jack

## Add some shake to your wake, even allowing others to sleep.

Wake up to household events that occur while you are sleeping or napping with the Bed Vibrator with Pin Jack. With its simple pin jack, it offers easy connection to all Medallion™ receivers. For hearing aid users that remove their hearing aids at night, you'll sleep better with the confidence that you'll wake up for the smoke or CO detector as well as the doorbell and telephone alerts. Place it under your mattress pad near your pillow.

## Features/Benefits

- > Shakes you awake when signaled by a receiver
- > Connects easily with a simple pin jack
- > ETL listed and tested to comply with UL1971
- > Meets the requirement of 1/8" or 3.2 mm minimal displacement
- > Thermal protection of motor
- > Features the Silent Call 5-Year Limited Warranty

## Specifications

**Power:** 12 VDC to 24 VDC

**Size:** 4" diameter

## 30-Day Return Policy If Not Completely Satisfied

**5-Year Limited Warranty:** This Silent Call product is warranted to be free of defects in material or workmanship for five years from the date of initial purchase. During that time, the unit will be repaired or replaced free of charge (three- to five-day turnaround) when shipped prepaid in original packaging to Silent Call Communications. This warranty is void if the defect is caused by customer abuse or neglect.
